Yeah well,  
I did a party and it went all night  
and we went through a dozen bottles  
of wine and everybody..they was havin' a real  
a real good time. yeah so dinner it was over  
up out of my seat turn up the music and  
speed up the beat gotta find a girl to dance  
with me. yeah so everybody movin' groovin'  
into the kitchen all 5,4,3,2,1 ignition that girl  
that caught me eye was time to move into position  
she had..dark hair and a green tank top with  
tight blue jeans and sandy flip flops she wasn't  
sweeter than sweet she was sweeter than love  
sweetest lollipop and I said

Ooh girl yeah ooh girl won't you be mine I gotta know  
if there's somethin' I can do  
x2 Do you right yeah  
singin' ooh girl na ooh girl won't you be mine  
I gotta know if there's somethin' I can do  
x2 Do you right yeah

Yeah well we got to talkin' and as it turns out she  
with fresh air comin' from outta town lookin' for  
someone who knows the roads to show her around  
and I I said well I'm your man and she took me by  
my hand lookin' me straight in my eye said is there  
anybody takin' care of you tonight

And she said ooh boy and I said ooh girl won't you be  
mine I gotta know if there's something I can do  
x2 Do you right yeah  
And she said ooh boy and I said ooh girl won't you be  
mine I gotta know if there's something I can do  
x2 Do you right yeah
