Well there is no one  
And my head acts to see  
Well there is no one  
And my heart needs to speak  
And my soul is on fire  
And my head has to scream  
Do you love me?  
Would you open up your door  
Do you love ME  
It is all Im hoping for  
(heyhey)  
Here I walk undone  
With a heart that bleeds  
I can hardly think  
For my head can only scream  
Do you love me?  
Would you open up your door  
Do you love ME  
It is all Im hoping for  
(heyhey)  
Do you love me?  
Do you love me?  
Do you love me?  
Do you love me?  
(heyhey)
