If there is a price to pay  
for loving you no matter  
Then i paid every cent  
every single penny  
you know i have  
and how i'm still  
longing just to sweat love  
overnight  
jocelyn  
if your intentions are really bad  
if you're only out to profit  
if your timing's even worse  
do come in and have it  
you know we have  
And how i'm still  
longing just to sweat love  
overnight  
jocelyn  
how i miss you  
how i miss you  
jocelyn  
i'm longing just to sweat love  
i'm longing just to sweat love  
jocelyn
