Anyway the water turns  
You're always on my mind  
Sweet instigator  
Anyway the water turns  
You're always on my mind  
Dear insolation  
(You) make me beautiful  
You give inspiration  
(You) make me beautiful  
Know that you can never let me down  
Were to sail and see the world right now  
Know that you can never let me down  
Were to sail and see the world right now  
Anyway the water turns  
You're always on my mind  
Sweet instigator  
Anyway the water turns  
You're always on my mind  
Sweet insolation  
(You) make me beautiful  
You give inspiration  
(You) make me beautiful  
Sweet instigator  
Know that you can never let me down  
Were to sail and see the world right now  
Know that you can never let me down  
Were to sail and see the world right now  
Cause you're all I ever wished for  
And that's You, You, You  
Cause you're all I ever wished for  
And that's You, You, You  
(You) make me beautiful  
You give inspiration  
(You) make me beautiful  
Any way the water turns  
You're always on my mind  
You made all this  
Because you made all this  
Sweet insolation  
You make me beautiful  
You give inspiration  
You make me beautiful

Sweet instigator  
Know that you can never let me down  
Were to sail and see the world right now  
Know that you can never let me down  
Were to sail and see the world right now  
Cause you're all I ever wished for  
And that's You, You, You  
Cause you're all I ever wished for  
And that's You, You, You  
You make me beautiful  
You give inspiration  
You make me beautiful  
Any way the water turns  
You're always on my mind  
You made all this  
Because you made all this
