(\*Ozark zingt niet in het liedje , maar er is een tekstje bij !\*)

'shades to know'  
tell me woman  
what is it you care for when it snows  
whiteness , brightness  
or is it the silence touching gold  
limitlessly free  
i'm the sailor not the sea  
no routine has got me fenced in  
still the ship has grown on me  
it harbours all my senses  
you're all i need to know  
you're all i need to know  
i'm the sailor not the sea  
tell me woman  
is there a truth called you and me  
and is it hungry  
looking for new opportunities  
limitlessly free  
i'm the sailor not the sea  
no routine has got me fenced in  
still the ship has grown on me  
it harbours all my senses  
you're all i need to know  
you're all i need to know  
i'm the sailer not the sea
