Title: this one's for you

Artist: Ozark Henry

Album: hvelreki

Year: 2010

I know what you are going through right now,  
To love is to live and loose somehow,  
You travel the longest road to find,  
There's nobody left to leave behind,

This one's for you,  
This one's for me,  
This one's for anyone who ever loved someone,  
This one's for you,  
This one's for me,  
This one's is for anyone who ever loved,

I know that it is hard to let it go,  
You never saw yourself alone,  
I know that it hurts and that it is hard to fall,  
You turn in your sleep, if you sleep... at all,

This one's for you,  
This one's for me,  
This one's for anyone who ever loved someone,  
This one's for you,  
This one's for me,  
This one's is for anyone who ever loved,  
I know that you get your head around me,  
I know that you get your head around me,  
This one for you...  
Whoooo... ,

This one's for you,  
This one's for me,  
This one's for anyone who ever loved someone,  
This one's for you,  
This one's for me,  
This one's is for anyone who ever loved someone,
