

## World5 "A Day For Lovers"

Visit "[A Day For Lovers](#)" on MotoLyrics.com

This is a day for lovers  
I've finally made a connection that's true  
This is a day for lovers  
I'll celebrate discovering you,  
Looking at you,  
Being with you,  
Together with you  
And loving you

From where I have been  
To where I am going to  
Everything in my life  
Is better just from knowing you

Love, Love, Love  
I can feel it now  
Love, Love, Love  
And I can finally say

This is a day for lovers  
I've finally made a connection that's true  
This is a day for lovers  
I'll celebrate discovering you,  
Looking at you,  
Being with you,  
Together with you  
And loving you

My story you know  
Broken heart in a foreign land  
My hearts' again whole  
Now that you've taken my hand

Love, Love, Love  
I can feel it now  
Love, Love  
And I can finally say

This is a day for lovers  
I've finally made a connection that's true  
This is a day for lovers  
I'll celebrate discovering you,

Looking at you,  
Being with you,  
Together with you  
And loving you

Love, Love, Love  
Love, Love, Love.
