It's all my heart
It's all my life
It's all I'm living for
It's all my heart
It's all my soul
It's you

I was living my life
Like an island alone
Then you appeared like a bright light
At a fork in the road

So familiar the one way
You took my hand said don't go
Taking the road where you led me
Ignited my life and my soul

I hope I can make you see
Here's what your love means to me

It's all my heart
It's all my life
It's all I'm living for
It's all my heart
It's all my soul
It's you

It's all my heart
It's all my life
It's all I'm living for
It's all my heart
It's all my soul
It's you

Like a boat on the sea
Steady wind in our sail
Even through the rough water
Our love will not fail

Do you need a picture
Or more words to describe
I could go on and on and on

So glad that you're mine

I hope I can make you see
Here's what your love means to me

It's all my heart
It's all my life
It's all I'm living for
It's all my heart
It's all my soul
It's you

It's all my heart
It's all my life
It's all I'm living for
It's all my heart
It's all my soul
It's you
