It's late
The night is winding down
I'm stayin' in
Gonna chill out on my couch
Then you, saying' to me
We gonna dance all night
Get off that couch you gonna take me out!

I said "no way!
Don't talk crazy girl
It's much too late and I'm too old for all that crap"
And she said: "away!"
And I thought and thought
And I have to say
I have no argument for that

So what are we gonna do?
'Cause I don't have a clue
She says leave it up to me
And then she says to me

We gonna jump
Jump and shout
We gonna dance & laugh & leap & scream
And let our worries out

We gonna jump
Jump and shout
We'll sing and put our hands up in the air
It's what tonights' about

Well alright
I suppose I need a change
And it will make you smile
That much I can see
She says tonight it's not just about me
It's about having fun, being crazy
And it's something that we need!

Jump
Jump and shout
We gonna dance & laugh & leap & scream

And let our worries out

We gonna jump
Jump and shout
We'll sing and put our hands up in the air
It's what tonights' about

Jump, jump, jump
Shout, shout, shout

You make me wanna Jump
Go ahead and shout
We gonna dance & laugh & leap & scream
And let our worries out

We gonna jump
Jump and shout
We'll sing and put our hands up in the air
It's what tonights' about

Jump
Jump and shout
We gonna dance & laugh & leap & scream
And let our worries out

We gonna jump
Jump and shout
We'll sing and put our hands up in the air
It's what tonights' about
