I'm not one for keeping score. But, if I were, I'd owe you more than anything I could ever repay.

Just give me today. It's all I need to make you stay.
More than I can say. I'm at a loss for words, but that's ok.

You were right. You're all I need tonight.

It's funny where your mind will go when you're near the end and you don't know if you ever really wanted to be free.

I never thought I'd have to make a bargain plea for this.
Never even knew how much I'd miss the time it took to make this into what it used to be.

Just give me today. It's all I need to make you stay.
More than I can say. I'm at a loss for words, but that's ok.

You were right. You're all I need tonight.

Just give me today. It's all I need to make you stay.
More than I can say. I'm at a loss for words, but that's ok.

You were right. You're all I need tonight.
