The fire starts  
Can you hear the sound?  
Of the kids all calling'  
I won't hold this crown  
Me and your friends,  
We run this town  
And keep on calling  
Until it all falls down  
Go tell fire  
Go tell fire  
Go tell fire  
Go tell fire  
The loudest part  
A liar's town  
Where 100 people  
Yeah, hold you down  
Me and your friends  
We killed a man  
By telling him things  
He couldn't understand  
The fire starts  
Can you hear the sound?  
Of the kids all calling'  
I won't hold this crown  
Mum and Dad  
Look what you done to me  
I was your baby boy  
Now watch me bleed  
Go tell fire  
Go tell fire  
Go tell fire  
Go tell fire  
Go tell fire  
Go tell fire  
Go tell fire  
Go tell fire  
Go tell fire...  
And no matter what they said  
Dollar is not your friend  
And it the feeling that so hard to know  
The feeling that won't come slow  
And no matter what they said  
Dollar is not your friend

And it the feeling that so hard to know  
The feeling that won't come slow  
Until you find a home  
Won't come slow  
Until you find a home  
World unite  
Love you forever  
World unite  
Love you forever  
World unite  
Love you forever  
World unite  
Love you forever  
World unite  
Love you forever  
World unite  
Love you forever  
World unite  
Love you forever
