City street, hang out  
Thumbs in pocket  
Black jacket  
Black jack, dego-red

Manhattenized-Bohemia  
Of Southern California  
Tough punk of  
Cool, futuristic Montana

Well, have you ever been mixed up?  
Feel like you're in a stick-up, a hold-up  
A robbery in progress?  
Well, I have

Well, have you ever been faked out  
Feel like you're in a stake-out  
A cook-out, barbequed chicken?  
Well, I have

Come on, mama, get on the yo-yo  
We're all givin' up down in the Arroyo

Well, have you ever been stranded  
Feel like you never landed  
A bandit, a merchant of Venice?  
Well, I have

Well, have you even been tumbled  
Feel like you're in a jungle  
A jingle, a town in New Jersey?  
Well, I have

Come on, mama, get on the yo-yo  
We're all givin' up down in the Arroyo

Well, have you ever been hungry  
Feel like you're gettin' ugly  
Ornery, and everybody's greasy?  
Well, I have

Well, have you ever been zooey

Feel like you're David Bowie  
A truly unidentified person?  
Well, I have

Come on, mama, get on the yo-yo  
We're all givin' up down in the Arroyo

There is a possibility of  
Something running parallel  
What something is, it might be called  
Not necessary the same thing but uh

Something other than what could be the right thing  
In other words, it might be a contingent-pository  
If what you are doing at the same time  
That you are doing something else
