(Guitars & piano intro w/ guitar solo)

How many times, I been to the river
How many times, my throat been dry
How many times, I been to the mountain
How many times, I passed on by

When you're livin' in harmony
Anyone can take a drink from the spring
Ain't no strangers in the company
Feelin' good is just a natural thing

(Guitar ditty)

How many years, I just been dreamin'
How many fears, got in the way
How many years, I just been screamin'
How many tears, I've seen on your face

When you're livin' in harmony
Anyone can take a drink from the spring
Ain't no strangers in the company
Feelin' good is just a natural thing

(Solo)

Ah-ah-eh-ah
(Guitar ditty)

When you're livin' in harmony
Anyone can take a drink from the spring
Ain't no strangers in the company
Feelin' good is just a natural thing

(Piano ditty)

Natural thing ... natural thing ...
Natural thing ... natural thing ...
Natural thing ... natural thing ...
Natural thing ... natural thing ...
Feelin' good is just a natural thing
