HARP & GUITAR INTRO)

I met you at a party, I gave you my number  
you called me and we started goin' out  
you called me every night, until you moved into my life  
and now you're callin' to say your moving out  
Â well now that you won't have any use for it, it would  
be sonice

if somebody walks up to you and asks for some advice  
tell 'em that they look like that they need love in their  
life

and give 'em my number, yeah, yeah, yeah, yeah

Â

give 'em my number, tell 'em I'm waitin' by the phone  
give 'em my number, tell 'em I hate to be alone  
give 'em my number and say somethin' kind about me,  
baby

you know I'd do the same for you

give 'em my number!

Â

I don't know a lot of people, I'm a little shy  
and I seldom have anywhere to go  
I be rememberin' how it was when we were in love  
and how you used to call and tell me so  
and now that you won't have any use for it, it would be  
sofine

if somebody want's to do ya, then ask 'em for a dime  
before you let 'em him dial that other line  
give 'em my number!

Â

give 'em my number, tell 'em I'm waitin' by the phone  
give 'em my number, tell 'em I hate to be alone  
give 'em my number and say somethin' kind about me,  
baby

you know I'd do the same for you

give 'em my number!

hey!

(HARP & GUITAR STUFF)

Â

any hour of the day or night  
give it on to somebody if they look they're my type  
if they're sad and blue and look anything like you

give 'em my number...

Â

give 'em my number, tell 'em I'm waitin' by the phone  
give 'em my number, tell 'em I hate to be alone  
give 'em my number and say somethin' kind about me,  
baby  
you know I'd do the same for you

Â

give 'em my number, tell 'em I'm waitin' by the phone  
give 'em my number, tell 'em I hate to be alone  
give 'em my number and say somethin' kind about me,  
baby  
you know I'd do the same for you

Â

give 'em my number, yeah  
give 'em my number, please  
give them my number, oh yeah  
give them my number, hey!

(HARP & GUITAR STUFF)

Â

(spoken - actually yelled)

write it down!

look, hun, I'm in the yellow pages!

you know where they slipped it under!

hey
