INTRO)

I found a way to the mountain
and I'll show you if you want to come along
in the eyes, yeah, of my woman
there's a truth that I've been seeking for so long

Â

I threw away the chains
I threw away the chains
I threw away the chains
that had my very soul

Â

Now my love is all around me
and it looks like that I have finally found the door
I was down, yeah, feelin' lonely
I was drowning but I could not find the shore

Â

I threw away the chains
I threw away the chains
I threw away the chains
that had my very soul

(GUITAR SOLO)

Â

I threw away the chains
I threw away the chains
I threw away the chains
that had my very soul

Â

I threw away the chains
I threw away the chains
I threw away the chains
that had my very soul

Â

I threw away the chains
I threw away the chains
I threw away the chains
that had my very soul
