I never read it in a book, I never saw it on a show
But I heard it in the alley on a weird radio
If you want a drink of water, you got to get it from a
well
If you want to get to Heaven, you got to raise a little hell

I never felt it in my feet, I've never felt it in my soul
But I heard it the alley, now it's in my rock and roll
If you want to know a secret, you got to promise not to
tell
If you want to get to Heaven, you got to raise a little hell

I never thought it'd be so easy, I never thought it'd be
so fun
But I heard it in the alley, now I've got it on the run
If you want to see an angel, you got to find it where it
fell
If you want to get to Heaven, you got to raise a little hell

If you want to get to Heaven
If you want to get to Heaven
If you want to get to Heaven
If you want to get to Heaven
