River runnin', river runnin'
River runnin' down to the sea
River runnin', river runnin'
River runnin' down to the sea
Down to the sea

Take it easy, take it easy
Take it easy, let it carry me
Take it easy, take it easy
Take it easy, let it carry me
Let it carry me

Is it shinin'? Is it shinin'?
Is it shinin' down inside of you?
Is it shinin'? Is it shinin'?
Is it shinin' down inside of you?
Down inside of you

Are you standin'? Are you standin'?
Are you standin'? And let it come on through
Are you standin'? Are you standin'?
Are you standin'? And let it come on through
Let it come on through

Are you standin'? Are you standin'?
Are you standin'? And let it come on through
Are you standin'? Are you standin'?
Are you standin'? And let it come on through
Let it come on through

Are you standin'? Are you standin'?
Are you standin' in the light of day? Yeah
Are you sleepin'? Are you sleepin'?
Are you sleepin'? Take your blues away
Take your blues away

Meet me in the river to the sun
Wake me in the river to the sun
Meet me in the river to the sun
Wake me in the river to the sun
Let's go to Oz
