(GUITAR INTRO)

Rosalie lives just on the edge of town  
the crazy one you know, you've seen her around  
ooh, when Rosalie laughs, she never makes a sound  
it's the only way, she knows she's takin' you down  
ooh, it's heavenly light, you've never seen such light  
when Rosalie, she knows she's doin' it right  
she won't say, and I never ask  
you see it's all the same to her  
and that's how it should be  
but when she's layin' next to me  
it's heavenly light, you've never seen such light  
and Rosalie, she knows she's doin' it right  
ooh, silent Rosalie

(SLIDE SOLO)

and that's how it should be  
but when she's layin' next to me  
it's heavenly light, you've never seen such light  
and Rosalie, she knows she's doin' it right
