INTRO)

running away, leads nowhere
when there's nowhere to run from
roads in the rain lead somewhere
and the rain has just begun

Â

can you feel it
can you feel it
can you feel it, a comin' on

Â

turning around can be easy
when you see it can't be wrong
sing me the sound
let it please me

oh, let it make me strong

Â

can you feel it
can you feel it
can you feel it, a comin' on
(Killer OBOE SOLO)

Â

now my mind is in the flow
everybody knows
now by head is in the rain
we are all the same

Â

aha
aha
aha
aha
