INTRO)

don't worry about the end  
cause when you get there, you begin  
the hammer is gonna fall  
just learn to live, or not at all

Â

what's that you say  
you need some love  
it's not far away  
sometimes you earn  
and sometimes you pay  
but it will carry you away

Â

the stars send us our due  
to guide us, and see us through  
our rhythm's across the sea  
and it's just waiting for you and me

Â

what's that you say  
you need some love  
it's not far away  
sometimes you earn  
and sometimes you pay  
but it will carry you away

Â

what's that you say  
you need some love  
it's not far away  
sometimes you earn  
and sometimes you pay  
but it will carry you away

Â

it's gonna carry you  
it's gonna carry you  
it's not far away  
it's gonna carry you  
it's gonna carry you

(GUITAR SOLO)

it's not far away  
it's gonna carry you  
it's not far away

it's gonna carry you
