I been standin' on the rock, waitin' for the wind to blow  
I been standin' on the rock, waitin' for the wind to blow  
I been standin' on the rock, waitin' for my seeds to  
grow

I been walkin' on the ground, waitin' for the guns to quit  
I been walkin' on the ground, waitin' for the guns to quit  
I been walkin' on the ground, waitin' for the pieces to fit

Better get back to the country, look around and find  
you a home  
Better get back to the country, look around and find  
you a home  
Better get back to the country, that's where we all come  
from

I been standin' on the rock, waitin' for the wind to blow  
I been standin' on the rock, waitin' for the wind to blow  
I been standin' on the rock, waitin' for my seeds to  
grow  
I been standin' on the rock, waitin' for my seeds to  
grow  
I been standin' on the rock, waitin' for my seeds to  
grow
