PIANO INTRO)

what did we do wrong?
we had all the magic
to put us on our way
and all the tragedy
we'd ever want to see
but you know I'm right
when I say the best
is yet to come

Â

where did we go wrong?
was it so enlightening
we couldn't find our way
was it all so frightening
we couldn't see which move to make
but you know I'm right
when I say the best
is yet to come

Â

and if you leave me now
like you say you might
please don't leave me now
'cause I know if you do
none of this will come true, so

Â

where did we go wrong?
now your heart is aching
and leading you astray
and me, I'm burning
trying to get you to stay
but you know I'm right
when I say the best
is yet to come

(SAX SOLO)

Â

what did we do wrong?
we had all the magic
to put us on our way
and all the tragedy
we'd ever want to see
but you know I'm right

when I say the best
is yet to come
(oooh)
yes, the best
is yet to come
