GUITAR SOLO INTRO)

love me, love me like you should  
love me just like you said you would  
till it's all gone,  
oh all gone  
tell me, tell me, tell me good  
tell me you know you said you could  
take all of my love,  
oh all my love

Â

'cause I've been thinkin', I've been dreamin'  
I've been waitin' for this chance too long  
oh so long  
my heart's ready, my mind's willing  
my body's able and waiting to let go  
waiting to let go

(GUITAR SOLO)

Â

teach me, teach me, teach me good  
teach me let me know when I should  
when I should let go,  
oh let go  
so love me, love me like you should  
love me like you said you would  
till it's all gone,  
oh all gone

Â

'cause I've been thinkin', I've been dreamin'  
I've been waitin' for this chance too long  
oh so long  
well my heart's steady, my mind's heavy  
my body's ready and waiting to let go  
waiting to let go

waiting to let go

(GUITAR SOLO)

Â

well I've been thinkin', I've been dreamin'  
I've been waitin' for the chance too long  
oh so long  
my heart's ready, my mind's willing  
my body's able and waiting to let go

waiting to let go  
waiting to let go  
(GUITAR SOLO)  
waiting to let go
