I've been sittin' today, looking out over my land
a home of my own, I'm so lucky for all that I have
if ev'ry one I knew, could feel the way I do...
I'm so amazed at what's happened along in my life
I don't deserve all the right turns along the way
if ev'ry one could see, the smile you've put on me...
I'm so amazed you just happened along in my life
I really like the way it feels with you
and I really think our love will slide on through

I've been makin' some friends, and oh what good
friends they are

like brothers and sisters, they've made my life richer
by far

as time slowly rolls on, we'll keep on singin' songs
I'm so amazed at what's happened along in my life
