Woo Woo Woo You Know It

Oh Radio  
Tell me everything you know

I like to sing with the radio  
I like to play it real loud  
I like to drive with the top down  
Rolling like thunder  
Always Drawing a crowd

Every Babe's gonna wanna piece of me yeah  
I stare into the mirror  
I like the things I see

Oh Radio  
Tell me everything you know  
I will believe  
You're every word  
Just tell me so

I see the look in their eyes.  
I see desire in their lies, lies, lies, lies, lies.  
In their lies. Oh yeah

I'm Gonna drink some beer tonight yeah  
Gonna get some girls I like  
I'm Gonna wear my pants real tight  
All the girls are gonna treat me  
Just right

They don't think I see them stare at me  
No

I stare into the mirror  
I like the things I see

Haha  
Oh Radio  
Tell Me everything you know  
I will believe  
youâ€™™ re every word

Just tell me so

I see the look in their eyes.  
I see desire in their lies, lies, lies, lies, lies.  
In their lies

I like to sing with the radio  
God knows I could be a rock star  
I'm sure all you girls want to know  
How you can meet me  
Oh you know who you are

I feel you're eyes so locked  
On me

Haha  
I like to sing with the radio  
I like to play it real loud  
I like to drive with the top down  
Rolling like thunder  
Always drawing a crowd

Every Babe's gonna wanna piece of me yeah  
I stare into the mirror  
I like the things I see

Oh Radio tell me everything you know  
I will believe you're every word  
Just tell me so

I see the look in their eyes.  
I see desire in their lies, lies, lies, lies, lies.  
In their lies
