I got a better half with me.
But she won't say anything.
Now you got to listen,
the past won't be lost if you're not here.

Let me tell about it.
This wall won't break soon.
A wall of bricks around me,
I don't how to lose.

I got all the time.
To be waiting that you,
'Unknown', will be mine.
I got all the time.
Because I know my heart will be fine.

Got my love to give,
all my love to give.
So much love to give.

Let me tell about it.
This wall won't break soon.
But if it does I will find you,
and I will never lose.

I got all the time.
To be waiting that you,
'Unknown', will be mine.
Because I know my heart.
I got all the time.
Will be fine.
Will be fine.
