### Verse

Natural Aroma, See she is fly but never been to Roma,  
Only Milan to wake up from the coma the night hits but  
she still going hard, pause rewind fast forward then  
press start

Shawty is always on the A-list smiles and prays to god  
we made it to the other side, we dont even stand in line  
we dont even look em in the eyes we greatness

if i never had you and your little hands, i wouldnt be  
here without you.

You dont understand iv played in the sand but i cant  
see the sea without you.

So dont let me go , dont let me go

### Bridge

And i tried to tell you , that not every single girl is a  
whore.

Thers some good girls, and there just my friends  
i hope you understand ( x 2)
