### Verse1

I say hey when I see you  
I don't need you  
To walk around saying that I'm yours  
My girlfriends, waiting by the door  
She just came  
Back from Vegas  
Roulette tables  
Can't even handle the cash she spent  
The super car she rent  
Oh ow

### Chorus

And I'll be somewhere tonight  
Playing all my cards  
And all be rolling the dice  
Hoping that it lands on sixes, on sixes

I'm nobody I'm nobody

x2

### Verse 2

I say hey fuck the reverb  
She's a free bird  
The words sounding nicer when it's too raw  
Describing her, I'm inviting her  
To the beginning,  
So she's gliding in  
The air is honouring  
Her wings astonishing  
Reaching, she's ,made in America...  
What's your telecoms Verizon

Oh ow

And I'll be somewhere tonight  
Playing all my cards  
And all be rolling the dice

Hoping that it lands on sixes, on sixes

I'm nobody I'm nobody

x2

Bridge

Little girls, big dreams

Blurry nights, different themes

I know that you read enough, doesn't mean you're  
smarter love

Doesn't mean you far enough to reach upon the stars.

Chorus

And I'll be somewhere tonight

Playing all my cards

And all be rolling the dice

Hoping that it lands on sixes, on sixes

I'm nobody I'm nobody

x2
