Intro

Just Another Day--  
Just Another Day---

V1

My tears trickle down the window pane like raindrops--  
Honesty flies directly at me smudging my make-up--  
I look out to the postcard view I've created in my  
mind-  
Oh the paints have dried, oh the pastels smudged  
Oh let's sit back and recline---

Chorus

It's just a dream, just a dream just a dream dream  
dream, of bitter illusion-  
It's just a dream, just a dream, just a dream,  
dream, dream, of creative delusion-  
Cuz sometimes what we yearn for is what we'd  
really kill for-  
Sometimes what we yearn for is what we'd- is what  
we'd-, is what we'd really die for---

V2
