V1

Sink on in helps you to not see-,
Overlook that conscience of yours, -elude reality
Here it goes takes control over you-
Transformation ready here's the cue-
Medicine kicks in and starts to work-
A wasted head that can forget the pain and hurt-

Chorus

Mr Brown plays his magic fife---
Hypnotises you to have no need for life---
He takes you further and further down-,
Oh---yes so deeper---oh so deeper-, deeper to the
ground

Oh he's calling you, yes he's calling out your

He's tugging, he's pulling at your mind-,
He wants his meal he wants to dine-,
He wants to swallow he wants to eat you whole-,
He wants you all he wants to buy your soul-,

Mr Brown, Mr Brown, Mr Brown-Brown,-Brown, Mr
Brown-yeah!

Yeah!

V2

Transformation ready, here's the cue-
