V1

You speak your words, you have no clue-,
You live your lies you have no truth-,
You live your life by numbers and fractions-,
You live your life in denial and subtractions-,
Paper & plastic that's the way to be-,
Paper & Plastic makes you happy-,

Chorus

Mr Liar, Mr Liar, Mr Liar Mr Liar!-
Likes to make, likes to make likes to make lots of fire!-,
Mr Big Mr Big Mr Big Big Boy!-,
Likes to watch likes to touch likes to play with toys-,

V2

I touched your soul, a danger you saw-,
No longer could you act anymore-,
You run away from what you are-,
Keep on running boy you won't get far-,
You crave attention from little slags-,
Yes you live for the shags-,

Chorus (x2)

Mr Liar, Mr Liar, Mr Liar, Mr Liar!-
Likes to make, likes to make likes to make lots of fire!-,
Mr Big Mr Big Mr Big Big Boy!-,
Likes to watch likes to touch likes to play with toys-,

Ending

Oh paper & plastic, makes you h-a-p-p-y-----
