I wonder if we'll ever find a party that lasts all night.  
There's a vibe in the city I've never felt before in my  
life.  
Let's all rush and flow, make a big time aftershow  
party.  
If we're gonna get it right got to hold each other tight  
tonite

CHORUS:  
And the people of the world say...  
Oye Baby  
Oye Mami  
Donde Esta La Afterparty

You offered a ride, a pleasant surprise  
Your whip was on point but it could'nt outshine your  
eyes  
Now I really know why we had to rush the flow darling  
No we gotta get it right got to hold each other tight  
tonite

CHORUS:  
And the people of the world say...  
Oye Baby  
Oye Mami  
Donde Esta La Afterparty

I only want to hold your hand like darkness in the moon  
light  
And when you wrap your arms around me  
I know this is where we should be tonite

Jabu:

To feel this gotta use your soul  
And it just aint a party with no O-z-o's  
Jump back make you sweat your clothes  
And I bet you didn't know/ the whole band got flows  
Little lady go on and do your dance  
Homeboys stand up and shout  
That's what I'm talkin' bout

Everybody go on and tell a friend  
That band went and did it again

CHORUS:

And the people of the world say...

Oye Baby

Oye Mami

Donde Esta La Afterparty
