If my amp had wheels,
I would go real fast.
And if my amp had speakers,
Then we'd really have a blast. (really have a blast)
Yeah

If I had some glue,
I would stick to you.
And if I had more love,
Then I'd give it all to you. (all to you)
Yeah

So chic, so chic.
I'm so glad your so chic.
So chic, so chic.
I'm so glad your with me.

But please don't ever leave me.
