Deep in the hills,  
There is a hideaway.  
That i built with Zack, the Lego maniac.  
I'm never ever gonna turn back.

Maybe in Legoland you're mine.  
Stop pause record fast-forward rewind.  
To the beginning frame,  
When I heard your name.

We've tunneled through,  
To the outside world,  
The front guard is Link, the Zelda warrior.  
I'm never ever gonna turn home.

Maybe in Legoland you're mine.  
Stop pause record fast-forward rewind.  
To the beginning frame,  
When I heard your name.
