Intro:

Yea, I go by the name, Xspo!

Hook:

I'm as real as they get (they get), real as they get, girl  
(girl).

Real as they get (they get), real as they get, yall (yall).

Verse 1:

Her name is all of my passwords, before I log in they  
ask about her, after the number nine I would count her,  
cause you a dime, baby you fine. Without yo lip-gloss  
baby you still shine, without yo thick walk baby you still  
mine (mine), she still do it without tryin (tryin), and she  
wont stop, red sign (sign), and this is what I like about  
her, when we get into it I bet she gone let me know (let  
me know), yeah, she get her point across, but when I  
break her off she don't wanna let me go, ha (ha), she  
lucky like a four leaf clover, and I'll fight for her love  
like a soildier, laid her on the bed and got closer,  
looked her in her eyes and then I told her.

Hook:

I'm as real as they get (they get), real as they get, girl  
(girl).

Real as they get (they get), real as they get, yall.

I'm as real as they get (they get), real as they get, girl  
(girl).

Real as they get (they get), real as they get, yall (yall).

Verse 2:

Unh, Yeah, yeah, yeah she real too, and with no hands  
girl I can feel you. I call it ghost love cause you my real  
boo, And we could do things them other girls would kill  
to, like, when we together I swear it feel good baby no  
matter the weather, no matter the weather, when we  
not together spendin money good but spendin time  
with you it feel better, yeah, and yes that's real, I just  
want you to know how I feel, and to yo heart girl yeah I  
got the key, and imma keep that thing locked for the  
sake of we, cause havin a good girl is hard to

especially when you only see her like once a week, take her for a movie then out to eat across the dinner table this what imma speak.

Hook:

I'm as real as they get (they get), real as they get, girl (girl).

Real as they get (they get), real as they get, yall.

I'm as real as they get (they get), real as they get, girl (girl).

Real as they get (they get), real as they get, yall (yall).

Bridge: (Beat Keeps Playing)

\*Pause\*

Hook:

I'm as real as they get (they get), real as they get, girl (girl).

Real as they get (they get), real as they get, yall.

I'm as real as they get (they get), real as they get, girl (girl).

Real as they get (they get), real as they get, yall (yall).
