"Without You"

Party's on
There's no doubt
In the crowd
You stand out

In your eyes
I can see
Something true
Meant for me

I know it sounds
What to say
But there's no other way

Cause I cant go home without you
Wont leave alone
Cause if I wake up without you
My chance is blown
Cause you are leaving with the break of dawn
So let us try to change our lives tonight
Oh baby come and change my life

Final song
We embrace
I'm losing track
Of time and space
Dancing kings/queens
There's a few
But on my mind
Only you

Never been
So clear to me
Whis is our destiny

Cause I cant go home without you
Wont leave alone
Cause if I wake up without you
My chance is blown
Cause you are leaving with the break of dawn
So let us try to change our lives tonight

Iâ€™ve never felt this way
Oh darling, cannot tell you why
Thereâ€™s something in the air
That we cannot deny
Itâ€™s not a game Iâ€™ve played
So baby follow me
Weâ€™ve got to leave it up to destiny

Cause I cant go home without you
Wont leave alone
Cause if I wake up without you
My chance is blown
Cause you are leaving with the break of dawn
So let us try to change our lives tonight

Cause I cant go home without you
Wont leave alone
Cause if I wake up without you
My chance is blown
Cause you are leaving with the break of dawn
So let us try to change our lives tonight
