Shake Shake Shake

So you feel you can't go on  
You've got nothing left to lose  
But there is no one left to love  
You got nothing left to choose

Can't stop  
Can't stop at yesterday  
Cause we gotta move on in a different way  
Today is another day  
Can't stop now today is another day

You can't stop, this love  
Shake it, Shake it, Shake, Shake it, Shake it  
You can't stop, this love  
Can't stop now, got to keep moving  
We've got faith in what love can do  
Don't look back we're gonna make it through  
Can't stop now, got to keep moving

Feel you got nowhere to run  
That there is nothing we can do  
You have so much left to love  
In the end there's always me and you

You can't stop  
Can't stop at yesterday  
Cause we gotta move on in a different way  
Today is another day  
Can't stop now today is another day

You can't stop, this love  
Shake it, Shake it, Shake, Shake it, Shake it  
You can't stop, this love  
Can't stop now, got to keep moving  
We've got faith in what love can do  
Don't look back we're gonna make it through  
Can't stop now, got to keep moving

Come on; front-back-middle-to top we keep it grooving  
No more sad songs singing the blues, we keep it movin

You can't stop, Can't stop at yesterday  
Cause we gotta move in a different way  
No more sad songs songs singing the blues, we keep it  
movin (Can Move)

You know we don't stop, even when the wheels lock  
(Moving it, Moving it)  
And when the beat knock, people in the street rock(x2)
