You dig in, your dug in now you cry for help
But can someone really hear
Your pulling, your tugging trying to save yourself
But no one seems to care
When you walk the world alone, woah, woah
Will you find your way back home

Don't mess with the dragon
Don't mess with the dragon
Don't mess with the dragon
Don't mess with the dragon

Your falling, your crawling, searching in the dark
Your heart is full of fear
Your crying, your trying want to find yourself
But you can't look in the mirror
When you walk that lonesome road, woah, woah
Don't forget your heart's your home

Don't mess with the dragon
Don't mess with the dragon
Don't mess with the dragon
Don't mess with the dragon

When you walk that lonesome road
Don't forget your heart's your home
