Here we go, here we go, here we go, go, go
Here we go, here we go, here we go, go, go
Go, go, go

Got to go, got to get away, gotta move on from
yesterday
No time to waste, no, no time you know
Should have left long time ago

Oh oh, oh oh, come and meet the baby Valvamos
Take a look around baby
Time to go

Here we go, here we go, here we go, go, go
Here we go, here we go, here we go, go, go
Go, go, go

Ah, na, na, na, no, no need for tears
Mother like to live again in fear
If you feel that I need to know
Hold my hand and off we go

Oh oh, oh oh, come and meet the baby Valvamos
Take a look around baby
Time to go

If you feelin' down I know I know
If I'm feelin' down you know I know
If you feelin' down I know I know
If I'm feelin' down you know I know

Here we go, here we go, here we go, go, go
Here we go, here we go, here we go, go, go
Here we go, here we go, here we

So here we go ma, no need to panic
Lets take a little trip and play pool with the planets
In outer space I know I know
Of course you could fly the spaceship is automatic

That's when she cried when her perm got
messed up

Because of hyper dry
We don't lead the other folks bones, we got our
own light
Speed light, vroom like, vroom

If you feelin' down I know
If I'm feelin' down you know
If you feelin' down I know
If I'm feelin' down you know

Here we go, here we go, here we go, go, go
Here we go, here we go, here we go, go, go
Here we go, here we go, here we go, go, go

Here we go, here we go
Here we go, here we go
Here we go, here we go
Here we go, here we go
Here we go, go, go, go
