Intro

Ooooooo wee!!

See that girl right there?

Yeah mane! She on that 31 status though!!

Ay shawtayyy!! What it do?

That's what I'm talkin about!

Imma holla at you like that,

Imma holla at you like this,

Imma holla at you like that,

Imma holla at you like this.

Chorus

Shawty you da baddest,

31 status (3x)

I am a king, you a queen

Gotta have it.

You know I'm the baddest,

31 status (3x)

I am a queen, you a king

Gotta have it.

He who find her find a good thang,

And attain favor with the king.

When I seen shawty I went insane.

Got cha boy lookin 'round for a diamond ring.

Dang, shawty how you do dat?

Come little closer! Let me be where you at.

Before you go and walk up out that door,

It's a couple things that I just got to know.

Like why you ain't freakin at the club and the bar?

Why you go to college?

Why you work hard?

Why you don't care 'bout the rims on the car?

Why you ain't impressed by the money and the stars?

Why you got goals?

Why you livin' right?

Why you say no if you wanna stay tonight?

Why you look good, but cha clothes ain't tight?

Oh, you a 31?

Yeah that's my type!

Chorus

I used to have a bad chick,

Full of all the drama.

You know, the kind that you can't take to ya mama.  
Met her with some friends,  
She was shakin her behind.  
And then in the end she was pullin me behind.  
Like dang..  
Then one day I woke up,  
By the grace of God me and that girl broke up.  
I had to take a breath and get back on track,  
Cuz that girl woulda had ya boy faded black.  
But I got my mind right,  
Got up on my daddy team.  
Now I shine my light,  
And I'm lookin for a queen.  
I'm never goin back,  
Standards too high.  
So you can call me a 31 kind of guy.  
Shawty ain't all about the Gucci and the Prada,  
She look good but she still focused on God.  
Hair done nails done,  
Everything did up.  
Outside BOMB, but the inside lit up!  
Chorus  
Nails done hair done,  
Errthang did.  
â€¦.  
Every single Sunday,  
Church she hit it.  
â€¦.  
Inside and out,  
Baby girl you wit it.  
â€¦.  
Got me like an addict.  
â€¦.  
And now I won't quit it.  
Shawty you da baddest,  
31 status (3x)  
I am a king, you a queen  
Gotta have it.  
-Repeat-  
You know I'm the baddest,  
31 status (3x)  
I am a queen, you a king  
Gotta have it.  
-Repeat-
