My twenty thrown down in my fist of rage  
and the man to my left folded down  
well Johnny doubled up with a royal flush  
i had three jacks and a pair of nines  
my mind is turning just two shots more  
there's not much left to play, yeah  
well then dude walks in, black hat on top, what a mop  
I'm lucky it wasn't a county cop  
cause i'm just running out of time

yeah....

Who's up for game two, what to do  
my wallet's getting thin  
and i just lost my watch last night  
well I got a problem  
just one answer  
got to throw it all down  
and kiss that shit goodbye

That was a crazy game of poker  
I lost it all  
but someday i'll be back again  
And I'm never to fall  
never to fall never to fall  
no no no

Who's up for game three  
i can barely see the bourbon drowning next to me  
And i just lost it all  
well there's a man sittin next to me  
Red with smiling eyes.  
It's funny, i don't have no money tonight  
yeah,  
yeah,

That was a crazy game of poker  
I lost it all  
but someday i'll be back again  
And I'm never to fall  
never to fall

no no no

Bada ba da ba ba biba  
skitili dat dat dat skitili dat dat  
Well i said now banana-nana baby how bout that?  
I'm coming out the front never coming out the back

well I walked into the bar yesterday  
Cause I had something to do, something to say  
And Johnny walked in right behind me and I didn't turn  
around  
Til I heard the sound  
of his feet falling on the ground  
I looked over my shoulder and I saw a clown  
And "I said what'cha doin' in the bar tonight?"

yo i said  
well I said Johnny whatcha doing tonight?  
He looked at me with a face full of fright  
And I said, how bout a revolution?  
And he said right.

I say of, you say a  
I say revolution, and you say jah  
I say of, you say a  
I say revolution, and you say jah  
jehovah

well I said, what'cha looking at?  
and he hit me across my face with a bat  
so I grabbed my .45 and I said let's get out and go-oh-  
oh-oh-oh  
so he opened the door, " whatcha here for?"  
I said I'm wandering down this road 44  
and I said I've been walking  
for about a thousand years.

well now my feet are growing tired  
My eyes are lookin wired  
Don't know what to do unless I retire  
he just said "let's play some crazy poker" yeeaaaahh

Well I said "Johnny whatcha doing tonight?"  
He looked at me with a face full of fright  
And I said, how bout a revolution?  
And he said right.

I say of, you say a  
I say revolution, and you say jah  
I say of, you say a  
I say revolution, and you say jah

jehovah

aww what a lovely night we have on our hands,  
what a beautiful evening we have on our hands,  
well this reminds me,  
of this day long ago,  
when this man left it all behind,  
in search of a future, in search of a past,  
he ended up playing a game of cards with 3 wise men,  
and they told him a lesson that he taught to me,  
well you can lose all ur money, you can lose all ur gold,  
you can never lose ur heart, you can never lose your  
soul,  
Thats why I'm not gonna quit and I'm never gonna stop  
i could not give a shit because I have the drop  
Johnny just got two eyes just like mine  
I'm feeling kinda funky, kinda fine

I drank a bottle of whiskey, 'fore I came  
Came to the place to see what's the same  
I saw my man named Johnny sittin' across the table  
from me

well to my left there was a man, i said he had no gin  
Didn't really think about starting to sin  
The man to my right wasn't feeling kinda nice  
He musta been kinda mad, I felt bad  
Beacuse I took his money last night  
it's kinda funny  
But now I'm just struggling--  
I love my honey-bunny,  
I don't know what to say anymore  
So I'm just gonna go out that door

(crowd)  
Well I said Johnny whatcha doing tonight?  
He looked at me with a face full of fright  
And I said, how bout a revolution?  
And he said right.  
I say of, ya'll say a  
I say revolution, and you say jah  
I say of, ya'll say a  
I say revolution, and you say jah  
I say of, ya'll say a  
I say revolution, and you say jah  
I say of, ya'll say a  
I say revolution, and you say jah jah jah  
jehovah, jehovah is lookin over me,  
jehovah, jehovah is livin' in my heart tonight,

that was crazy, i feel crazy, life is amazing,

ya'll been soo damn good to us tonight,  
and im lookin for my soul in your eyes every night
