Woke up with a headache from the night before
Cause sometimes I drink
Spent the night with my head in the toilet bowl
It's where I like to think
I said cause I don't want no one to take a piece of my
heart
I hate to lose all the little bitty pieces from my heart
La-da-da hey-o

Ya ever spend all night thinking about your life
well I suggest we try
Well it's something that you're gonna wanna do with
the night
Cause I tend to cry
I said cause I don't want no one to take a piece of my
heart
I hate to lose all the little bitty pieces from my heart
Lalalala had-ey-o

Ya ever spent all day thinkin' bout the night
It's something that you do
When you think away too much you're out of sight
What ya gonna do I said cause I don't want no one to
take a piece of my heart
I hate to lose all the little bitty pieces from my heart
Lalalala had-ey-o
