Hello
Hi
Its me, an outlaw
and please except my love happiness

Hello
Hello
It is me Picasso
I gave you a call
And I am tough
But I want you to know
I ask nothing from you

You want to leave but
You can't, you can't take me
You can't, you can't take me
You can't, you can't
You can't take me
The image of you face
And the love of the linden tree
Remind me of your eyes

I phone
To tell you

What I feel now
Hello
My love,
Its me
Happiness

Hello
Hello
It is me Picasso
I gave you a call
And I am tough
But I want you to know
I ask nothing from you

You want to leave but
You can't, you can't take me
You can't, you can't take me
You can't, you can't
You can't take me
The image of you face
And the love of the linden tree
Remind me of your eyes

You want to leave but
You can't, you can't take me
You can't, you can't take me
You can't, you can't
You can't take me
The image of you face
And the love of the linden tree
Remind me of your eyes
