Hello, Salute, its me your Duke  
And I made something thats real  
To show you how I feel  
Hello, Hello, its me Picasso  
I will paint my words of love  
With your name on every wall  
When you leave my colours fade to grey  
ooh ah ooh ah ey, ooh ah ooh ah ooh ah ey  
Everyword of love I used to say  
Now I paint it everyday  
When you leave my colors fade to gray  
I need a love to stay or  
All my colors fade away  
Every word of love I used to say  
Now I paint it everyday  
I sold my strings, my songs, and dreams  
And I bought some paints to match the colors of my  
love  
Hello, Hello, its me again,Picasso  
I will spray my words of my love  
With your name on every wall  
When you leave my colours fade to grey  
ooh ah ooh ah ey, ooh ah ooh ah ooh ah ey  
Everyword of love I used to say  
Now I paint it everyday  
When you leave my colors fade to gray  
Little lover stay  
All my colors fade away  
Every word of love I used to say  
Now I paint it everyday
