This a letter to you baby im always thinking of you on this earth you number 1 noboby will come above you an if you think i didnt love you well i do an i will do anything just to be beside you you my girl an thats forever we were made to be together soulmates up in heaven yeah you my little angel and you got me reminiscing on those days remember that time when u said wouldnt go our seperate ways our hearts was as one but you broke it when you left you was my world untill you left now im in space cant catch my breathe baby i really need you back im steady running out of breathe shawty please come back without you there is nothing left i then thought i then tried also called no respond got me hurt tryna find why you really left my life see shawty im tight you could've been my wife but you left an split my heart now will you please come back

(Chorus)

Baby When You try To walk away from me you dont understand what you take from me when you leave me All alone and my body so cold (ohh Girl) You Can't Find Nothing To say to me you blind to the love you use to see..got me waitng by the phone please come home I Need You Back.

(Verse 2)

It was like yesterday when you was right here in my arms cant believe that you gone now im here all alone you was more than a charm an im missing you only god know hom much i missed kissing you hugging you telling you im loving you why you had to leave blind you was blind to the fact our love was more than it seemed the other part of me that you took when you left im breaking down slowly this bad for my health i can handle myself steady thinking bout you the good times that we had an the things we use to do i was the best you ever had the one that held your hand through thick n thin I love you unconditionally but you had your

funny ways an never listen to me....Why? Im Only
Asking You Why? Why You had to leave broken down
me i just need you back so shawty please please Come
back

(Chorus)

Baby When You try To walk away from me you dont
understand what you take from me when you leave me
All alone and my body so cold (ohh Girl) You Can't Find
Nothing To say to me you blind to the love you use to
see..got me waitng by the phone please come home I
Need You Back.

(Talking)

I Mean...I Really do Now Need you I Thought I Did
But....You was the other part of me..How can i live with
half of me..I just can't Do it..I just Hope You Find That in
your heart..and you will always be number one to
me..FOREVER!!

(Chorus)

Baby When You try To walk away from me you dont
understand what you take from me when you leave me
All alone and my body so cold (ohh Girl) You Can't Find
Nothing To say to me you blind to the love you use to
see..got me waitng by the phone please come home I
Need You Back.
