(Chorus)

I get 'em every, spring, summer, fall,
I can make them bells, do a summer salt,
Throw 'em in the air, watch the money fall,
I can make the bricks to a summer salt.
I'm on a juggathon, I'm on a juggathon,
I'm balling with the bricks, I'm on a juggathon.
I'm on a juggathon, I'm on a juggathon,
Two hundred bells on my wrist, I'm on a juggathon.

(Verse)

Im flexing making juggs, shooting basketball,
Throw them bells in the air, free bands fall.
I'm standing in the booth, just like Lebron James.
I got 45 thousand in my gym shorts.
I got flying past my houses like an airport,
Every other bad freak when you shop with me
That's how I like the streets, I got the recipe.
My partner Big J on the juggathon,
Just made a jugg with me, go money marathon,
Juicy say he got a jugg, he gotta take 'em all.
You know I'm rap em' pretty, then i dish em' out,
Lil mexico city everybody boss

(Chorus)

I get 'em every, spring, summer, fall,
I can make them bells, do a summer salt,
Throw 'em in the air, watch the money fall,
I can make the bricks to a summer salt.
I'm on a juggathon, I'm on a juggathon,
I'm balling with the bricks, I'm on a juggathon.
I'm on a juggathon, I'm on a juggathon,
Two hundred bells on my wrist, I'm on a juggathon.

(Verse)

Jugg, jugg, jugg, I'm on a juggathon
Count, count, count, I'm a money counter,
Walk in my jugg house brick on the corner,
I get money large amounts in bags, I don't even count
them.
I indicate I'm on a jugg, I'm a stone mountain,

Young Scooter, diamonds clear than a water fountain.
I get price of the year, nigga, on the street,
Anything I do imma jugg the streets.
My daughter gotta eat, I gotta feed KB
Jugg, jugg, jugg, money all I see.
All these dead presidents from the jugg play
Every damn day for me is jugg day.
