(Chorus)

Street niggers got some in a situation  
Thank God I made it through my situation  
My situation ain't life saving  
Transaction lead me into this situation.  
Street niggers got some in a situation  
Thank God I made it through my situation  
My situation ain't life saving  
Transaction lead me into this situation.

(Verse)

Thank God I made it through my situation  
I pray my cousin make it out this situation  
The judge try to hide you by some pistol cases  
But you're a street nigger, you need your pistol daily  
Sometimes money can even be the situation  
I got a son and a daughter, two different situations  
Two different baby mamas, plus I got open charges,  
I got street problems, imma jugg regardless  
This a situation, my situation paper  
My situation fax, my situation plastic  
My situation fault, my situation streets  
My situation in future, a quarter mil' a week.

(Chorus)

Street niggers got some in a situation  
Thank God I made it through my situation  
My situation ain't life saving  
Transaction lead me into this situation.

Thank God I made it through my situation  
My situation ain't life saving  
Transaction lead me into this situation.

(Verse)

Get caught with that dog food, you know who is it

Dirty streets I live it, I told them bricks I live it  
Hope you run to the nexty, hope you run to the sixty  
My mind is so ridiculous, I got money vision  
All about my business and my situations  
A lot of niggers hate me, my baby mamas hate me  
Got hater situations, yeah, my life's crazy.  
Some on free drugs I don't know what I'm thinking  
That's the situation, money situation.

Transaction lead me into this situation.

(Verse)

Imma stay dope grind nigger that's my occupation.  
I refuse to tie it and robbing it, yeah, that's the situation

That snitching any bitching, but that's your situation  
I'm certified in paper chasing, I'm down that paper

That situation for street nigger, they tell me scoot,  
You niggers ain't no big dog, they're just some  
oversized plush.
