[Hook]

Seen nothing understand me
The head's priceless, she wanna do a hands free
You know you like this, so when I write this manually
Automatic click on the rip, when I do it, man see
I be killing shit gradually

And then I trigger off, from the bottom to the top
Cause I'm good like that
Niggas talk slick, they ain't really like that
Swifter than a man says ray back
Swifter than a man says a tracks
Bumping niggas on point like a ball pin
Isn't all in, never triple, let you really in the fall in
For you
Fuck around, slip all in
We was out dreaming about balling
Assisting, chris paul in
Wishing for diamonds glistening your wrist as
We risking it all in
Know I'm swifter
And you know that, no vifs I'm time for the crowd
That's really where the hoes at
Got your bitch, on hoe bitch nigga hold that

Seen nothing understand me
The head's priceless, she wanna do a hands free
You know you like this, so when I write this manually
Automatic click on the rip, when I do it, man see
I be killing shit gradually

I have plans, started with like 40 bands
Cope money, lost money, got it again
It's back to the hustle, right back we began
It's easy to loose, it's harder to win
So I been out riding, thinking surviving
My younging from college, I'm drinking she driving
I'm rolling, she smiling, we wailing
I keep it on go, my niggas know
Pop whatever and let it pour

Top whatever to settle the score
I got whatever you got and more
Shine in this bitch like 100 stars
I need 100k and a hunned broads
A hunned dollar plate and a back massage
Seeing family do it hella large

Seen nothing understand me
The head's priceless, she wanna do a hands free
You know you like this, so when I write this manually
Automatic click on the rip, when I do it, man see
I be killing shit gradually

Every minute, moving, I'm out here getting to it
I'll show you how to do it, I'll show you how to do it
Got a couple bitches with me
Real niggas with me
I'll show you how I do it,, I'll show you how to do it
Every minute, moving, I'm out here getting to it
I'll show you how to do it, I'll show you how to do it
Got a couple bitches with me
Real niggas with me
I'll show you how I do it,, I'll show you how to do it
