Um slowly making mula

Making a differences
Its money over everthing
Never trust these bitches
Thinking bout my riches
My life in Inquisitions
I use to joke around
With rap now Am
On a mission
Dedicated to my craft
Married to the music
Kush is at the four
Front and anit no
Sign of losing
Mic secluded in
The booth and i
Will abuse it
Carry the touch
For my team and
I never lose it
Pass me the mic
Let me create magic
I use to want it all
Am talking big old
Mansion Money and
Liquor and exotic
Dancers Kush is on
The scene go collect
Them cameras this music
On mind cause everyday
I live it focus on the top
And i can see it in my vision
To become the best there is
Thats my only mission I only
See the Team Behind me dam
Who ever`s missing
