Someone  
Someone's got me wrong  
You thought that  
Your love was strong  
Now you're feeling like  
Such such a fool. poor you

You're thinking  
Maybe if you said goodbye  
You'll understand the reason why  
The love you had felt so cool

(CHORUS)  
Oh, but it's all right (all right)  
Once you get past the pain  
(Past the pain)  
You'll learn to find your love again  
(Find your love again)  
So keep your heart open  
Cause love will find a way

Sometimes we all  
Feel a need to change  
Our love we have to rearrange  
And move on to something new  
Yes, you do

Your dreams feel like  
They're falling apart  
You need to find a brand new start  
But you're almost afraid  
To be true to yourself

(CHORUS)

Love will find a way  
Love will find a way

Yeah, now so don't  
Don't be afraid of yourself  
Just move on to something else  
And let your love shine through again

Yes, cause it's all right (alright)  
Once you get past the pain  
(Past the pain)  
You'll learn to find your love again  
(Find your love again)  
So keep your heart open  
Cause love will find a way

It's all right (all right)  
Once you get past the pain  
(Past the pain)  
You'll learn to find your love again  
(Find your love again)  
So keep your heart open  
Cause love will find a way, oh

Yes, it's alright (alright)  
Don't be afraid  
Case it's alright (alright)  
Yes, it's alright (alright)  
Leep your heart open  
Cause love will find a way...
